## Pictures of Heavenly (Astral) form - Soul- Oversoul (Higher Self)

Note- The pictures are the respective property of their owners and are being posted as fair use for educational purposes only.

In my experience, here are fairly accurate pictures of the Soul and the Oversoul (Higher Self/Spirit).

In the first picture, The Soul is Golden Light in human form (but has no gender, it is inherently androgenous). The Soul may choose to incarnate in either gender for the purposes of balance.

In the second picture, The Oversoul is the White Sun in the middle while the 12 Souls that make up the Oversoul (representing 12 x 12 = 144 incarnations) are Golden Light in human form (but no gender).

In the third picture, you can see a zoomed in Oversoul picture. Note that the Oversoul transcends human form and literally is Divine Light.

When the Soul is merged with the Oversoul (enlightenment either during incarnation or in the "Afterlife"), then re-incarnation is not necessary.

But, after enlightenment, the Soul can still clothe itself in other forms such as the etheric/astral bodies for purpose of Service or Evolution, as an interface with 4th or 5th density. Many Ascended Masters do this to interface with the physical incarnates via our third eyes or to exist closer to Earth for Service purposes.

It is my understanding that 4th density and 5th density in Law of One are Soul realms (finer forms) but with connection to Spirit, while 6th density is the Spirit realm where outer forms can be shed and only pure light remains (In true form, The Higher Self is like a White Shining Sun as the Oversoul, or a Golden being as a Soul, depending on the consciousness and form it takes).

The Soul, Oversoul, and God all exist at all times as separate but also united aspects. You can call the Soul, a fractal of the Oversoul, and the Oversoul, a fractal of God. But at the lowest level the fractal is still the same substance of God. The Soul is never destroyed, but can be expanded to include awareness of the Oversoul and God too. Soul awareness is "The Kingdom of Heaven is within" and Oversoul awareness is "I and God are One...We are all One. I AM that I AM."

12 Souls with Oversoul

Oversoul picture (zoomed in)
Similar brightness as a Sun or Star
But does not have the specks on the image

Here is an example of a Soul clothed in an Astral body for Service. On the Path of Earth Service (or Shamballa/Heaven) Souls wear white and can look like this. But they do keep their own gender as needed for individuality purposes when in Service in Higher Evolution.

Other examples (these are 4th or 5th density forms):

**Chris Comish** April 24, 2025 at 7:04 AM

Everyone consists of a physical body which operates in one dimension (the physical world), a “soul body” operating in another dimension (the astral or soul realms), and a “spirit body” operating in another dimension (the spirit realms).
